UC Irvine | The Paul Merage School of Business

**Re: Big Data and Advanced Analytics Internship Program at Competitive Analytics**

Dear Faculty at UC Irvine,

We are proud to introduce our new "Big Data and Advanced Analytics Internship Program" at Competitive Analytics and would like to invite UCI students to apply. We welcome both undergraduate and graduate students to apply.

Please read our information page (attached) and feel free to distribute to your students. We strongly believe this is a tremendous supplemental learning opportunity for UCI students. Another vital incentive - the majority of these positions are paid!

As always, please do not hesitate to contact me if you have any questions, comments, or requests about big data, advanced analytics, or business intelligence.

Sincerely,

A handwritten signature in black ink that reads "David Savlowitz".

David Scott Savlowitz
